

Wedding Gobo Packages

Project pure elegance on your special day

Dazzle everyone at your wedding as you dance the night away on your personalized monogrammed dance floor. Disc Turners can help you personalize your wedding reception by making a custom glass gobo that will project onto your dance floor or a wall at your banquet facility. Our professionally trained graphic designers will help you choose the perfect gobo for your event. If you already have a monogram, logo or a graphic from your invitations for your event we can work with that also*. Once the big day arrives one of our lighting professionals will deliver and install your light and position your gobo perfectly. Whether you choose the elegant black and white gobo, greyscale or the premium full color gobo, Disc Turners is there to satisfy. We pride ourselves on making your special day a day everyone will remember!
